What's the meaning of this !?
No matter how you look at it, this is the results of the election
It's a complete majority
Why did the student who didn't even do a speech get elected!?
Not to mention most of the students that voted for him are all girls..
What's with this..?

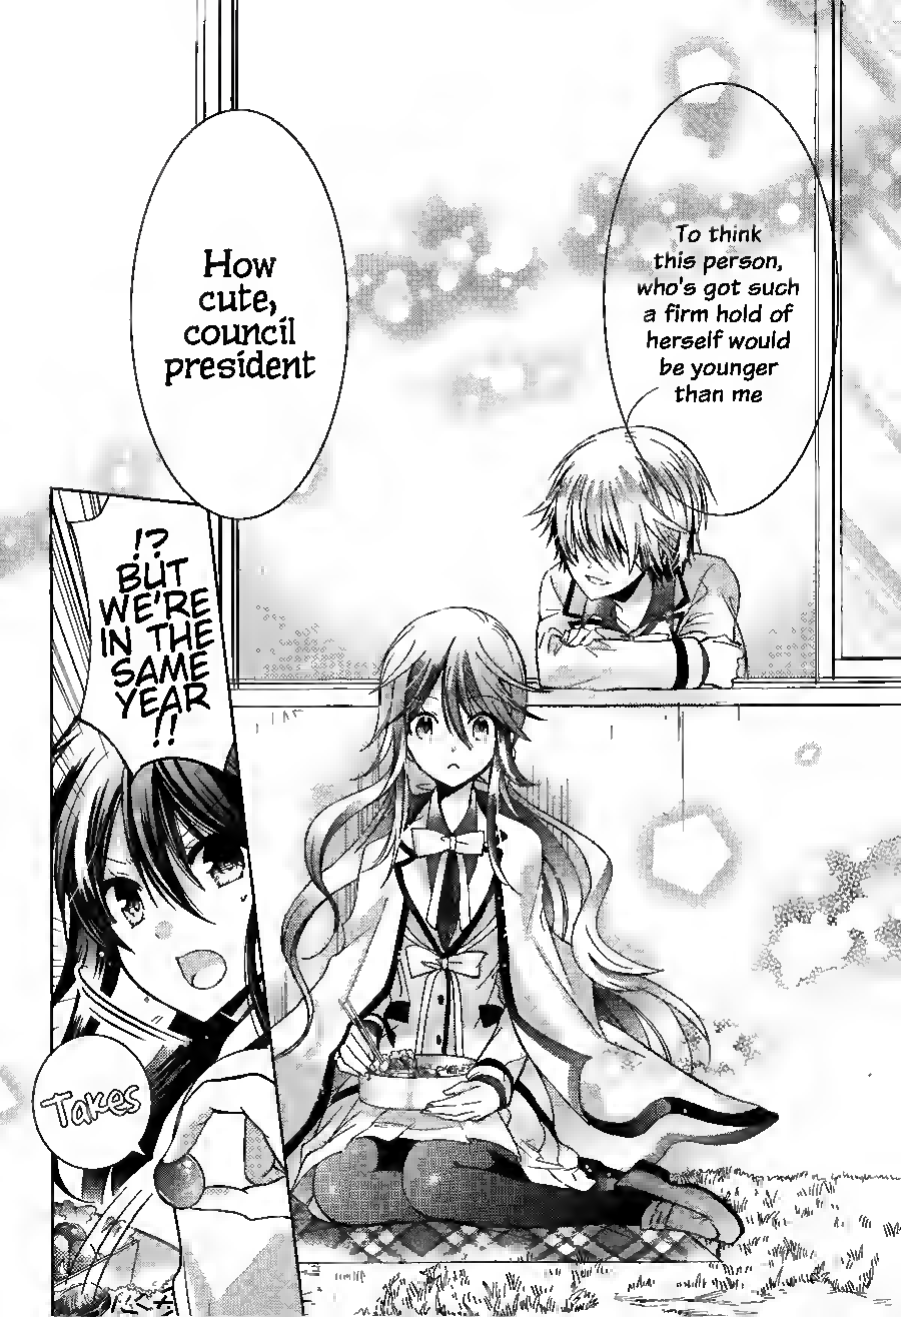
I was born on April 1st 0:00
EH!? SO THAT'S HOW IT IS! WHAT A RARE THING~!
That's so amazing!

Funny, right? The laws in Japan
It's only April 1st, yet I'm treated as the last..
I'm the youngest, so of couse I'd be the least developed
That's why I think I need to get a better hold of myself more than everyone else
Gasp
Wait.. Why am I even telling him this..
Oh~?

I was born on March 31st too~ Hence Sangatsu Owaru
Ehehe~ I'm a day earlier~ ♪
Peace
Sangatsu -kun, why did you decide to become a candidate?
Was it just for the bonus marks?
The bonus marks that are reflected on your report card from your student council activities are results after long years of trust and hard work
Please fix that atitude of yours, it's spoiling the student council's name
Chuckle



To think this person, who's got such a firm hold of herself would be younger than me
How cute, council president
!? BUT WE'RE IN THE SAME YEAR !!
Takes

But why I'm older is a secret
Peace
Did I make you mad?
Sorry
I'm sure I won't be all that different from you though, council president
Layla, I've checked up on him and it doesn't seem there will be any problems with him being our treasurer
His math grade is pretty good, and his family background... Well, let's just say he's rich

Carbonara
I knew this was the most popular dish!!
Most love hotels serve frozen food, I think But at our place, we sell mom's cooking
Looks delicious

But.. To think that these will soon be devoured by customers who are about to do indecent things.
Poor food..
Check out please
I'll need to clean up, now that the cutomers have gone home!!
I'll need to call the cleaners too..
I'll restock the food ingredients and the angels..
Ang.. angels ...
MOM!?
Shokuhou? (Meal day)
I can see the angels, Patrasche
DON'T TELL ME YOU DIDN'T SLEEP AGAIN!
Love hotels operate 24/4 all year round
Mm.. Emergecy shift yesterday ....

We have our busy days, but usually there aren't many customers In our current condition we can only manage to hire one part timer.
Most of the labour work is done pretty much by mom, she sleeps an average of 3 hours a day
All this just because dad left this kind of hotel behind...
Clench..
I'll obtain a lot of scholarship money!!
I will graduate as the student council president and grade representative no matter what
I really wish I won't be reaching my goal with that frivolous guy!!
And for mom's sake!!...
Layla..
Peace!

The part timer, Hiromi-san will be back soon... And they'll.. bring the food up..
EH
You don't have to do anything, alright?
Good luck..

HIROMI-SAN! PLEASE TEACH ME HOW TO DELIVER FOOD TO THE GUESTS!
I hate how I can't get myself together!!
The carbonara is a living creature!!
The noodles will begin to absorb more cream and stiffen as time passes by.. Their time to shine is drifting further away as we speak..!!!
IN OTHER WORDS, THEY'RE HEADING TOWARDS THEIR DEATH!!

I won't let mom's food go to waste!!!
AL-RIGHT !!
I'd love to put on sunglasses and a mask too but
It'd be rude to the guests if they saw me like that, right ?
It'd be bad if our Reputation went down after all!!!
Ding
I'll finish this quickly before "that" comes out !!
Although I live here.. I enter my home through the outer stairs
Gulp..
I've never entered the guests room..
Enters

Ever since then..
Layla -chan's place is amazing, you know
It's a castle, right?
